Open Door: Tuesday 8:30am
- 8:55am

This Week...

We have been looking at a new book, 'Wanted, The Perfect Pet' by Fiona Robertson. We have been focusing on our handwriting and on sounding out our words before writing.

In Maths we have been grouping and sorting by different criteria. We have also been making repeating patterns.

Our topic this half term is Ocean Commotion. Our learning in class will follow this theme.

Please note my Open Door session is on a Tuesday 8:30 - 8:55am. If you would like to come see your children's work or come and talk to me, please feel free to drop in.

Next Week...

We will look at another story written by Fiona Robertson and we will be comparing the two books. In Maths we will be learning Fractions.

Homework

This week I will be sending home spellings for the children to learn. Spelling tests will take place the following Friday so the children have a week to learn the spellings. It is important children learn and relearn the spelling over a number of days, this way they are more likely to retain the correct spelling and use it in their work.
