**Leo C** – For always being trustworthy.

#### Star Writer

Rosie – For working hard at perfecting her letter formation and presentation.

**Primrose** – For writing a super ending for our story this week.

### Class News

#### In Year 1...

It was so lovely to see those of you who could make the Year 1 Showcase. We enjoyed creating our flower collages and the children were very proud of their work.

This week has been Extreme English week. We have had some 'visitors' in class. A range of wild animals (puppets) who have come in to share their stories.

Mrs Griffin came into class to share her favourite tale. We have made bookmarks to bring home and designed book covers.

After the Half Term break, the Year 1s will be taking their Phonics Screening Test. We keep this very low key as we do not want the children to feel under pressure to perform. We have sent home a phonics pack for the children to work through during the holidays so that they are ready for the screening when they come back in June. Reading books have also been sent home.

#### In Year 2 ...

This week in Y2 we have been busy with all of our Extreme English activities. We found an octopus in the sink on Monday and asked him lots of questions. We met Rusty the robot and wrote an adventure for him after he met an alien, and have designed a book cover for our 'mystery' book! Mrs Moore came to class to share her favourite story with us which we thoroughly enjoyed.

We have been learning about the role of a botanist in science, and created beautiful paintings of flowers in vases in our art lesson this week.

Our Maths work has focused on telling the time this week and we have looked at o'clock and half past times this week.

Please practise looking at clock faces and reading the times with your child this holiday as it will really help them with their studies after the break.

It was great to see all the children in school dressed as adjectives this week, there were some very creative outfits!

*Please see the following page...*

### Class Open Door

Please, feel free to visit classrooms and ask any questions you may have.

**Year 1**

Monday 3:20pm – 3:40pm

**Year 2**

Monday 3:20pm – 3:40pm

As the weather is currently a lot warmer, please ensure your child has a hat, sunglasses, sun cream and a water bottle in school so they can keep hydrated.  
Thank you.

#### **Uniform**

Many of you will already be thinking about school uniform, and preparing for the next school year in the coming months.

Please remember to check our school website and the uniform list **before** you purchase and uniform, shoes or trainers for PE.

We respectfully ask that parents keep to our uniform code, and please name all items of clothing and equipment that comes into school.

As the children wear the same, if your child misplaces an item, it is very difficult to track down a missing item of uniform without a name. There over one hundred and forty children all wearing the same thing!

Do check out the '[Uniformd](#)' platform for a more cost effective and environmentally friendly way of purchasing school uniform for your child.

A flyer with more details about this can be found on our school website in the Parents section.

### **SAVE MONEY - MINIMISE WASTE - RAISE SCHOOL FUNDS**

Wishing you all a restful half term.

*Mrs Ramsay, Mrs Lucarelli & Mrs Bamber*
