

Year 1

Mrs Lucarelli's Weekly Newsletter.

29th November 2019

Open Door: Tuesday 8:30am
- 8:55am

This Week...

We have had some fantastic speaking and listening as we have shared information and facts with each other in Show and Tell. A big well done to everyone!

We have been fact finding in English as we have been working on nonfiction texts.

In Maths we looked again briefly at money before moving onto time. We have ordered the months of the year and have recited the days of the week. Please continue learning days of the week at home.

Certificates and Awards

Curriculum Certificate -
Myles for an excellent non-fiction text.

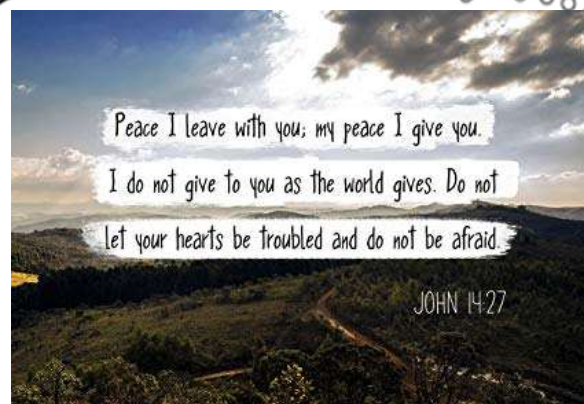

Christian Value Certificate for
Showing Compassion -
Micah

Next Week...

We will be starting to practise our Christmas Nativity. We have lots of new songs we have been learning in school and you may have already heard at home!

When we are not practising we will be learning number bonds and facts. We will also be continuing to write a fact sheet on Ocean Animals.

It was great to see so many of you on Thursday. Thank you for coming. If you need to see me again for any reason please don't hesitate to come to the Open Door or ring the school office for a more convenient time.

Dates for Your Diary
