### Phonics Packs

We have sent home some phonics packs, in a coloured, fabric wallet, to help the children consolidate their phonics learning at home.

The packs are for the children to keep and there is no time scale in which these packs have to be completed. Having a go, with some of the sheets over the half term holiday, will be helpful in preparing the children for the phonics screening when they return to school, paying particular attention to sounding out and reading real and 'alien' words. The pack will remain relevant right up until the children return as year 2s. If you require extra sheets, please let me know.

### Certificates and Awards Curriculum Certificate

**8th Harrison** For his sound spotting skills.

**18th Gracie-Mae** for beautiful handwriting.

**27th Max** For working very hard on his handwriting and finger spaces.

### Christian Value/ Diamond 9 Certificate

**8th Rylee** for having the **courage** to put his hand up and answer questions in phonics.

**18th James** because we can **trust** he is trying his hardest with his sounding out when writing.

**27th Willow** For **flourishing** in her reading.

Walk, bike, catch the bus or car share on the 16th June to help raise awareness for air pollution busting behaviours.

### Happy Holidays

We hope you have an amazing break. We have had lots of sore tummies and coughs in class this week and so a rest will do us all good I am sure!

Have fun celebrating the Queen's Jubilee. We look forward to seeing all the children again on Monday 13th June.
