This Week...

In English have continued to look at Goldilocks and the Three Bears. We looked at the beginning of the story, on a story plan, and tried to learn it. We then wrote the beginning of our story, making sure we included capital letters and full stops. We also looked at the questions in the story and wrote some questions using question marks.

In Maths we have been using the + and = signs to make number sentences and we have been creating addition 'Fact Families'.

In Phonics we have been looking at 2 syllable words.

Apologies.....

Your child's reading books have not been changed as frequently as we would like due to a number of contributing factors in class. These issues have now been resolved and books should be changed twice a week. If your child's book is not being changed regularly, please don't hesitate to get in touch as it is important to us that at this early stage of their education, they develop a love and enthusiasm for reading.
