Our Christian Value this week is **Thankfulness**.
What are you thankful for?

Hello,

We have come to the end of another very busy, exciting and interesting week. This half term is certainly flying by!

Learning This Week

This week we have enjoyed the story 'We're going on a Treasure Hunt' by Martha Mumford and focused on writing instructions, improving our sentences and we have been on a treasure hunt in the school grounds, which the children really enjoyed.

In our maths work we have been exploring statistics and solving calculations using subtraction to find differences using money. The children have enjoyed using our beach café role-play area and calculating bills and giving change.

In our science work we have been investigating materials and using a wide range of vocabulary to describe their properties. Our RE work has focused on stories about Jesus from the bible.
