### This Week In Reception

His week in Reception the children have been busy making planets using wax crayons and water wash. They have also been creating rockets out of numicon and taken part in a space themed treasure hunt. We have been busy making a cosy new book corner called the Cave of wonders, and new space station as our role play area. The children have learnt more about Neil Armstrong and watched the moon landing.

### P.E Kits

Some children have still not returned their P.E kits to school. It is essential that the children have their P.E kits in school for health and safety reasons. Please return them by this Monday. Thank you. Miss Cronin

### Home Work

Please continue to read with your child at least 3 times a week as well as signing in the book. Also, continue to practise the words in the blue spelling book as we are trying to push reading within the Reception class now.

Thank you for your co-operation.
