

Class 3 Newsletter 30.04.21

This week in Class 3...

We have continued our learning in Science surrounding living things and their habitats, including the life cycle of a tree frog, an amphibian that lives in the Amazon. In English, we have focused on improving our grammar and writing skills, in particular using adverbials to describe a rainforest setting. Maths lessons have involved recapping methods for calculations and when certain methods would be more appropriate depending on the problem to solve. We have also completed some assessments this week to inform our next steps. In RE the children, especially the Year 3's, have enjoyed using their beautiful new bibles to explore the events of Pentecost and the beginnings of the church.

Extreme English Week

As part of our Extreme English Week (10th-14th May), we are holding a 'Dress Up Day' on Thursday 13th May. The children can come to school dressed as their favourite book character, or wear an outfit related to books in some way. We ask that outfits are respectful of our Christian ethos – e.g. no little witches or wizards please. Please do not feel that you need to buy outfits; simple and comfortable often win the day!

Art with Mrs Morris

Mrs Morris would like to ask if any children have any catalogues at home, like an Argos catalogue for example, that they don't mind cutting up for an art activity, it would be very helpful if they could kindly be brought into school. They will be quarantined before use. Thank you!

Courageous Advocate

The courageous advocate that we are celebrating this week is Lilius Trotter. Lilius was a talented painter who left her wealthy life to tell others about Jesus. How did she use her talents to help her spread the word of God?
