

## Home Learning for Year 1 – Week Beginning 20.4.20

Hello Year 1, I hope you are keeping well and staying safe. Here are some ideas to help you with your learning while you are staying at home. Don't worry if you can't complete all of the tasks but try to have a go, and as always, let your light shine.

### Maths

- There are some fantastic daily lessons on White Rose. Follow this link

<https://whiterosemaths.com/homelearning/year-1/>

and select Lesson 1. Go at the right pace for your child. You might find lesson 1 could take all week or lesson 1 might be too easy and you might need to skip some of the lessons or activities to find the appropriate challenge.

### Challenge

- For further activities you could join 'The Maths Factor' created by Carol Vorderman.  
<https://www.themathsfactor.com/>
- Or Additional Maths activities to support your child's learning can be found on the Discovery Education website. I will send login details out again via the text messaging service for any of you that need it a reminder.  
<https://www.discoveryeducation.co.uk/>  
Login and select Espresso. Select KS1, Maths and access activities in the *Multiplication and Division* and *Fractions* section.

### English

Daily activities can be found on the LPDS document found on our class area. This week we are looking at Hairy Maclary from Donaldson's Dairy by Lynley Dodd.

### Spellings

Learn to spell the days of the week.

### Handwriting

Practice forming the following letters with the correct formation (you will need lined paper and a sharp pencil!)

Whoosh in and curl left. curl right then lead out of your s.

Whoosh up then down. Bend round, go up and down to the ground. Kick out a toe and u is ready to go.

Whoosh up then down into the valley. Zoom back up and across the top to finish your v.

Whoosh in, then down and back up. Down again, up and across at the top.

**REMEMBER** - All letters should not go above the imaginary half way line. Don not take your pencil off the page until the letter is drawn.

## Home Learning for Year 1 – Week Beginning 20.4.20

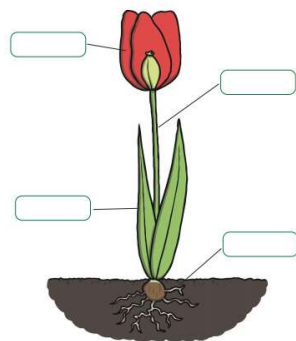

Hello Year 1, I hope you are keeping well and staying safe. Here are some ideas to help you with your learning while you are staying at home. Don't worry if you can't complete all of the tasks but try to have a go, and as always, let your light shine.

### Other

**Geography** – What are the 4 countries that make up the UK and can you find their flags?

**Science** – Can you label the parts of this plant?

Parts of a Plant

**PE** – If you haven't already, can you complete Joe Wicks daily workout on You Tube?

**Art** – Observational drawing. Find a flower in your garden or on a walk. Look very closely at the flower and have a go at carefully drawing what you can see.

### RE

Watch this film to learn about Easter:

<https://www.bbc.co.uk/teach/class-clips-video/religious-studies-ks1-thechristian-story-of-easter/zhg47h>

#### Now try to answer these questions

1. What special name is given to the day Jesus died?  
.....
2. What was used to close Jesus' tomb?  
.....
3. What did the figure in white say to Mary and her friends?  
.....
4. Who did Mary see whilst she was crying?  
.....
5. What do Christians like to remember at Easter?  
.....
