

## Class 3 Newsletter

Spring Term – 4<sup>th</sup> February 2022

### This Week

We have continued with our class novel, Charlotte's Web, and we have been practising our 'active reading' strategies, listening for particular words and phrases, and putting our comprehension skills into action. We have also been revising our inverted commas and expanded noun phrases to improve our Writing further. In our Maths, we have moved from fractions into decimals and have been learning the language of tenths and hundredths. In our Geography, we looked at the fells and mountains of Cumbria and compared their different heights. Our work in RE has centred around the parables and the children have all done well at recalling events and writing their own versions.

#### **Next Week:**

Miss Wilson is hoping to film the children performing a Rock and Roll dance sequence, **next Tuesday**. Please can all children bring a set of spare clothes on Tuesday – jeans and a white t-shirt (their PE t-shirt is fine) or a dress if preferred.

### Reading Books

It has been brought to our attention that there may be some unsuitable images or language in a very small percentage of the free reading books that your child may bring home. This, of course, is disappointing and is not in line with our Christian ethos. As our class libraries have a large number of books in them, it is almost impossible to check them all as thoroughly as we might like and, therefore we are asking you, as parents and carers, to be mindful when reading with your child. Please make us aware of any reading material which is not suitable for our children. It will then be disposed of. Thank you.

### Keeping Safe

It seems so appropriate that **Internet Safety Day** next Tuesday falls within **Children's Mental Health Week**. The negative impact of watching and reading inappropriate content on devices such as X-Boxes, phones and tablets is clear to see, and we must do all we can to protect our children's precious minds. Please check your children's devices regularly and be vigilant, using filters to block apps and programmes which are not child-friendly. Also be aware of age recommendations – for example the minimum age for a Tik Tok user is 13, and Fortnite is rated as suitable for teenagers by the Entertainment Software Rating Board.
