

This Week...

This week we have finished our Class Novel: George’s Marvellous Medicine. We have written instructions to make our own medicines and completed book reviews. In Maths we have looked at Place Value in money and we have been comparing amounts using equality symbols. In Geography and computing we have been researching world rivers. This week’s R.E. lesson was all about the Lord’s Prayer; we have been exploring its origins and meaning and the children have been asking questions about it. In Art we have created our own medicine bottles filled with medicines of many kinds!

****Please encourage your child to log on to TIMES TABLES ROCKSTARS at home.**

Next Week...

A recent change in Government Guidelines now means that today (Friday 25th September) will be my last day teaching Class 3. I have really enjoyed my time with your wonderful children and I know they will continue to work hard and flourish with their new teacher, Miss Shepherd.

The children and I had the opportunity to meet Miss Shepherd this week and I am confident that they are in very safe hands 😊

Compassion UK Charity

Thank you so much for your support on Thursday with our non-uniform day which raised £31 for our sponsored child Hamza. This money will help to support Hamza and his family in order they can live a life free from poverty.
