

## Curriculum Statement of Intent

At Lea Endowed Church of England Primary School we provide a Deep and Wide curriculum which supports a **lifelong love of learning** for every **unique** and individual child, underpinned by our distinctively Christian ethos.

The teaching and learning of the curriculum is **inspirational** and **relevant** to promote **creativity** and the **courage** to ask Life's Big Questions. Through positive **challenge**, children will **flourish** and become both **independent** and **collaborative** learners.

Each one of our “Diamond 9” words has a weekly, whole school focus.
