

## Year 1

Mrs Lucarelli and Miss  
Courtney's Weekly  
Newsletter.

**25th February**

Open Door Wednesday 3:15-3:30pm

### This Week

Thank you for sending in wellies and spare trainers, we enjoyed exploring the outdoor area in school, finding places that mini beasts would like to visit.

We have been finding facts about local mini beasts this week and writing these facts into sentences ready for next week.

In Maths we have been measuring length in centimetres. This can be quite a tricky skill finding the beginning and end of an object then measuring using a ruler (starting at 0!!) If you have chance to practise measuring length at home, that would be great.

### Twos, Fives and Tens

The children have an opportunity to earn team points in class by counting in 2's, 5's and 10's. Please can you practise counting in these increments at home.

### Next Week

We will be celebrating the start of the Lent period. On Tuesday we will be following instructions to make pancakes. Please let us know if you are unhappy for your child to sample pancakes. They will be topped with lemon and sugar or chocolate spread.

In Maths we will be adding and subtracting.

In English we will be writing adverts, to encourage mini beasts to visit our school ground.

### Positive Parenting

On Monday 7th March school will be holding a parenting information evening— 6-7pm. We would like as many KS1 parents to attend as possible. For each parent that attends, their name will be entered into a raffle for exciting vouchers. Please see the flyer for more information.

### Certificates and Awards Curriculum Certificate

**11th Max** for his amazing work with multiplication and arrays.  
**25th Harrison** for fantastic independent Maths work.

**Christian Value Certificate**  
**11th Daisy** for being considerate of others.  
**25th James** Being joyful and working hard.
