Classroom News

Friday 23rd April

In Maths we have made numbers to 20 with cubes, ten frames
 and Numicon, and have ordered the numbers from 0 – 20. We
 have learned about oo, oo, ar and or and have practiced writing
 words and sentences with the sounds in. In RE we learned
 about the unkind thing that Joseph's brothers did to him, just
 because they felt jealous. We went on a wild plant hunt and kept
 a tally of the ones we spotted. We planted some cress seeds
 and talked about how they are very different from the broad
 bean seed.

Next week...

We will hopefully see some growth in our pots! We will listen to
 and reflect on the next chapter in the story of Joseph and his
 brothers. We will continue our Maths work 'to 20 and beyond'.

The Big Ask

Children in England have the chance to tell the
 government what their childhoods should look like. 'The
 Big Ask' will find out what life is like for them, what hopes
 and aspirations they have for the future and what
 challenges they face in reaching their goals.

The survey is being led by the Children's Commissioner
 for England Dame Rachel de Souza, who thinks it is
 important to look at the impact of the coronavirus
 pandemic on children's lives.

England and Manchester United footballer Marcus
 Rashford is supporting the project.

If you would like to take part, the link is below.
