Correct uniform, clearly labelled please.

Small hair accessories please – no big bows or ribbons.

No smartwatches please.

Safe foods

Homework – sent home each Friday

Each half term there is a new homework grid that links with the topics we are doing in class.

Homework - to return to school each Wednesday for Show and Tell. Photos & videos can be emailed to me.

Phonics book – the phonemes we have learned and words/sentences we have read.

Reading books go home each Friday after being read 3 times with a teacher in class.

Reception Baseline

The Reception Baseline Assessment (RBA) is a short, interactive and practical assessment of your child's early literacy, communication, language and mathematics skills when they begin school.

It will be used to measure your child's progress from Reception to Year 6. The data will only be accessed by the DfE, and is not shared with school, parents or external agencies.

It is an opportunity to get to know the children and learning their strengths and next steps.

When your child reaches Year 6, you will be able to see the progress the year group has made throughout their school journey.

If you wish to read further on the Reception Baseline, then you can find a useful parent booklet here;

<https://www.gov.uk/government/publications/reception-baseline-assessment-information-for-parents>

Seesaw

Letters will be sent out this week with your unique QR code.

Provides a snapshot of what your child is doing in school.

Some observations will be just your child, others will be for the class or group they are working in.

Accessible to extended family as well.

Please let us know if there are any problems setting it up.

Other bits and bobs

Birthdays are special! Staff will happily hand out invitations/thank you cards. It's fine to send in treats on a birthday – please check ingredients.

Long hair to be tied back please.

Label absolutely **everything**! Please check regularly that names haven't washed out.

Text message service should be live – please speak to Mrs Lynne Ruston in the office if there are any problems.

Open Door is each **MONDAY**. Please pop in if you want to look at the classroom displays or work your child has done.

My email is on the homework sheet
