

Class 3 Round-Up - Summer 2

It is quite astonishing that we have reached the end of this academic year already! We were discussing all the exciting things which have happened in class and school this year, and the list was long! We have lifelong memories of our Borwick Hall day, especially the canoeing along the canal. We have enjoyed the pantomime at Christmas, the Coronation Picnic in May and Harold the Giraffe coming to visit class as part of our Life Bus experience. Many of us have been involved in a club this year; Sunrise Club, Cookery Club, Basketball coaching, Football coaching, Archery or Lego club. We loved our Sports Day and all our special adults coming to see us in action, and we also enjoyed being outside for our Sponsored Gardening event and joining our Year 6 friends for Enterprise.

I truly believe that these lovely experiences help our children to grow and flourish and believe in their own, and others' abilities. The children have all grown in confidence this year and made good progress in the key skills. We place great emphasis on manners in Class 3 as well as developing the ability to speak loudly and clearly when presenting information to others. Our latest class worship really showcased this and I definitely feel that we have some budding Prime Ministers in class!

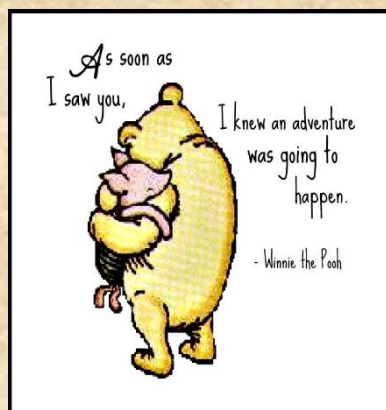

All the adults in school love seeing Class 3's homework projects, and we have not been disappointed this year. Most children went the Extra Mile with their Tudor houses, Roman artefacts, Egyptian treasures and biome dioramas. I know that we have some very creative children (and parents!!) in Class 3, and it is great to celebrate our own unique gifts and talents, not always placing our focus on the more academic subjects.

I was very proud of the Year 4 children and their good results on the Multiplication Check – these are skills they will need as they move into Upper Key Stage 2, so please encourage your child to keep on practising.

One of the ways in which we nurture and encourage wellbeing in school is to read aloud to the children each day. Our latest book, *The Boy at the Back of the Class* was super popular with the class; so much so that they applauded when it ended in the way we wanted it to. Please encourage your child to keep up their reading over summer and even join the Library Summer Challenge as detailed on the letter sent home earlier this week.

I am very grateful for all the support you have given as parents and carers this year. Helping your child attend school every day, reading and learning spellings at home, reading and responding to newsletters and text information, and supporting them by promoting the home-school relationship are all invaluable to their success as learners. So, all that is left to say is that the Class 3 Team wish you all a lovely summer and look forward to seeing us back together as a school family in September.

Mrs Bolton, Mrs Morris, Miss Wilson and Mrs Salisbury ☺

As thoughts turn to September, and buying new school uniform, please consider using our online second-hand uniform platform, 'Uniform8'. There are some high quality, nearly new items for sale at a very reasonable price. Money raised also benefits school, so everyone is a winner.

Reminder that, from September 2023, school will start for ALL children at **8:45am prompt**. There will no longer be a staggered start, so please account for this in your morning routine.
