Newsletter No 31

Our theme this half term is **COURAGE**

Another busy week at Lea Endowed with Year 1, Class 3 and Class 4 Parent Showcases taking place, all of which were a great success. Thank you so much to all who were able to join their child in class. Everyone seemed to really enjoy the learning challenges and I know the children will have loved having you working alongside them in school.

Year 1 and 2 also had a fabulous trip to The Wild Boar Park. The children were delighted to be able to hold baby chicks and baby rabbits; the staff at the park commented that the children's behaviour was wonderful. Year 5 had an exciting day at Ashton Community Science College yesterday, when Millie won an award for the most creative design of a bird. The children (and Mr Bateman) were astounded at seeing Millie's trophy being created before their very eyes, using a 3D printer! Well done Millie, that is quite a prize and was definitely hot off the press!

#### **Mrs Seagrave's Good Manners Awards**

Congratulations to **Georgia in Reception** who won my Good Manners Award last week. Georgia is a quiet member of our school family who has been noted for shining her manners and respectful attitude in and around school. Keep shining in Year 1, Georgia - we are very proud of you!
