The Summer Reading Challenge will give you the chance to sign up and take part online, with the special <a href="http://www.sillysquad.org.uk">www.sillysquad.org.uk</a> website! The Challenge website will be free to access and a place for you to rate and review books and work towards your reading goal. It will also feature video content, games, quizzes, and digital and downloadable activities to complete at home. The Library service will also be providing loads of fun free things to do including book quizzes, a reading group, and an online Lego club!</p> <p>The theme of the Challenge for this year is Silly Squad, and we want to celebrate funny and silly stories all summer long! From David Walliams to Roald Dahl, and Jacqueline Wilson to Jeff Kinney, there are thousands of hilarious books for you to read, and we can't wait to hear about them!</p> <p>The Summer Reading Challenge Silly Squad website is now live for you to sign up on, and we in Lancashire will be launching the challenge on Saturday 27th June, so keep an eye on our social media and website for more information!</p> <p>Twitter: <b>@lancspublib</b>          Facebook: <b>@lancslibraries</b>          Website: <a href="http://www.lancashire.gov.uk/libraries-and-archives/libraries/your-library-at-home">www.lancashire.gov.uk/libraries-and-archives/libraries/your-library-at-home</a></p>

### Other Subjects

**Science:** Access <https://www.ase.org.uk/ase-coronavirus-hub-primary-remote-learning-resources> and select the Year 4 'Living Things and their Habitats' unit

**Science:** Explorify (membership is free) Select 'Living Things and their Habitats' from the 'Science Topic' and choose from those activities

**History:** Our unit this term would have been 'The Plague'. I would like you to either create an information booklet or a Powerpoint.

This week I would like you to take a quiz to find out how much you know about The Great Plague!

Read the information and answer the questions at the bottom of the page:

[https://www.ducksters.com/history/middle\\_ages\\_black\\_death.php](https://www.ducksters.com/history/middle_ages_black_death.php)

**Extra Mile:** Create your own quiz of at least 10 questions.

**History/Geography:** Create a map showing the spread of the Plague. Maybe use different colours for the different stages.

**DT:** Plan a cake sale. Work out what you want to make; identify the quantities you would need; cost the quantities (use online shopping for price guides); try to not have too much excess; calculate the prices for what you're baking. How much would you need to make to make £50 profit? Make some advertising for the sale. Then make some of the cakes you'd plan.

**Art:** Create your version of the school badge; it could be a pencil sketch (with shading), a painting, a collage, using things found in nature (you choose the medium)

**PSHE:** Remember you can watch Newsround every day to keep up to date with what is happening in the world:

[https://www.bbc.co.uk/newsround/news/watch\\_newsround](https://www.bbc.co.uk/newsround/news/watch_newsround)

**PSHE:** Please also see the 'Supporting Good Mental Health' document on the Worship tab of the school website.

**Computing:** Please see the 'Parent Online Safety Guide May '20' on the homepage of the website

**Computing:** Discovery Education Coding. U: student18818 / P: peacock If you use Coding 2.0 you can learn about Block Coding, Python or HTML coding
