Our theme this half term is
JOY

"Let your light shine." Matthew 5:16

I'd like to take the opportunity to say a big thank you to all the parents and carers who came in to school to meet with your child's teachers on Parents' Evenings this week. It is wonderful to have you back in school for these important conversations, which I hope you found useful and informed you of your child's progress and wellbeing. As I'm sure you're aware, whilst we're being encouraged to get on with life as normal, I must once again draw your attention to the message I shared on Monday morning via Parent Pay email (also available on the front page of the website) which comes directly from our local authority. Please see the latest guidance in the box below.

Latest Guidance

As we have had several cases of Covid in school recently, please can I remind you that although there is now no legal requirement to self-isolate if you have COVID, we still have guidance in place.

Please see the information below, from our latest Risk

Assessment (which comes directly from LCC):

Staff and pupils are encouraged to follow safer behaviours including;

- staying at home if they are unwell
- taking a test if they have COVID-19 symptoms and staying at home and avoiding contact with other people if they test positive.

Staff and pupils who test positive will continue to be advised to stay at home and avoid contact with other people. After 5 days, they may choose to take a Lateral Flow Device (LFD) followed by another the next day - if both are negative, and they do not have a temperature, they can safely return to school.

Thank you to the parents who came along to the Positive Parenting session. The feedback we received was very positive and I'm so pleased many parents found it helpful.

Multi-Cultural Links

As a school family, we encourage love and respect for all people from different cultural backgrounds. We encourage exploring the diversity in the world by asking you as parents to share experiences you may have of different cultures, whether that be in your everyday home life or when visiting different places or being on holiday. We would love you to share any photos and comments for our "Sharing Experiences of Different Cultures" folder.

Please send in any photos or email them to school.

Mrs Seagrave's Great Manners Award

I am delighted to have presented my special awards for excellent manners and a wonderful, respectful attitude to:

Rosalie in Year 2 (4th March) and last week to Harry N in Year R (1st March). Well done and keep shining brightly. I am very proud of you both.

LENT APPEAL 2022

For our school Lent Appeal this year, we're holding a **Toy Sale on Thursday 31st March**. All proceeds from the sale will be donated to the **British Red Cross** who are doing such valuable humanitarian work, delivering food, medicine, shelter and water to those in need.

We are asking for donations of clean, good quality toys and books to sell on the day. **Please can children bring these into school from the 24th March onwards** to enable us to sort them and prepare them for sale.

The children may also come to school on the 31st March in blue and yellow, the colours of the Ukraine flag. This can be their own clothes or their school uniform.

Thank you for your support,
CMS Seagrave
