### Classroom News

#### Friday 16<sup>th</sup> April

We have enjoyed our first week back and hope that everyone had a wonderful Easter. We shared our Easter news and wrote about all the exciting things we got up to. This half term our theme is 'The Secret Garden'. We discussed what plants need to grow and talked about the different parts of a flowering plant. We have planted a broad bean seed and we know that we need to look after it properly. We are thinking about numbers to 20 and beyond and practised counting forwards and backwards (very tricky!). In RE we started thinking about the story of Joseph in the Old Testament. We have been thinking about how we are all unique and special, and enjoyed telling our friends why they are special.

#### Next week...

We will listen to the next part of the Bible story of Joseph and will think about what sort of person he was. We will look at the story of The Enormous Turnip and will talk about the characters, setting and plot of the story. We will continue our Maths work exploring numbers to 20 and beyond. We will continue looking after our broad bean and keeping a class diary of the progress. We will plant some faster growing cress seeds.

### Reading

Please read regularly with your child, at least 5 times a week. Could we ask that you sign the reading record when you read?

Thank you.

To support our theme, we are creating a Garden Centre in our classroom. We would love any donations of artificial flowers or plants that are not needed anymore! Thank you.
