LEARNING IN SCHOOL

English: We have enjoyed exploring the novel Francis, the Earthquake Dog. This past week we have written our own versions of the story.

Maths: We have retrieved information from timetables and have converted between units of measures; both metric and imperial.

RE: We continued with thinking about significant women from the Old Testament. We have thought about the lives of the mothers Jochebed (Moses' mother) and Hannah (Samuel's mother). The Year 4 children also enjoyed 'Diary of a Disciple' and the Year 5's enjoyed 'Bible or Bogus'.

Science: We continued to classify rocks and compared their qualities as well as identifying rocks within our school grounds.

Geography: We continued to explore the natural phenomena of volcanoes and earthquakes. We identified where they happen in the world as well as exploring tectonic plates.

- A timeline of Mary's life (her life, her death, significant events etc.)
 - A diary entry from Mary's perspective
- A newspaper front page from the day after she discovered her fossil (see separate help-sheet for details to include)
- Your own recreation of Duria Antequior by Henry de la Beche

READING & SPELLINGS

Please remember to make sure that your child **reads regularly**. They need to be recording it in their reading record. Even if it is a book from home not from school, it can be recorded in the diary so we can monitor the range of books the children are/are not reading.

Spellings are on our class page of the website in case the lists get misplaced.
