

## Home Learning for Year 1 – Week Beginning 13.07.20

Hello Year 1, This is our final Learning Plan! Well done for keeping going for all this time at home on your own. We look forward to having you back in school after the holidays. If you need any help or assistance, contact me at [a.lucarelli@leacofe.lancs.sch.uk](mailto:a.lucarelli@leacofe.lancs.sch.uk).

### Maths

Please complete the daily lessons on White Rose. Follow this link:

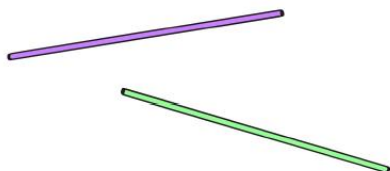

<https://whiterosemaths.com/homelearning/year-1/>

and select Summer Term Week 11 (w/c 6th July) Fractions. Just to remind you, the dates are now out of sync. The worksheets can be found in our Home Learning class area. Again, work at your child's pace. You may not get through all the lessons or you may find the lessons are too easy and you need to move to the Challenge section.

### Challenge

#### Straw Square Challenge

There are 12 straws in this pattern of 5 squares.

Take 20 straws of the same length.  
Arrange them to make as many squares as you can.  
Don't bend or break the straws!

How many squares did you make?

### English

Daily activities can be found on the LPDS document found on our class area. This week we are looking at the read and respond unit - Week 11 'Meerkat Mail'.

#### Spellings - 'o-e'

#### Phonics

daily and watch the Year 1 phonics sessions. If these sessions are too tricky for your child, please complete the sessions for reception.

#### Handwriting/ Presentation

You have been very busy since March having school at home. This week, instead of the normal handwriting I thought you might like to design a poster for your 'Home School'. The poster could include some of the things you have been doing over the last few months. Don't forget that colouring within the lines and setting things out neatly is an important skill. You will still need sharp pencils for your poster and you will need to think about how you set it out before you begin. You might want to do a plan of your poster before starting the final copy.
