This Week In Reception

We have had hectic week in Reception.

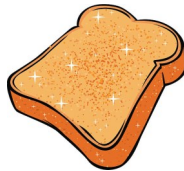

This week the children have started looking at animals that live in cold places with a huge focus on penguins. The children have been building them out of a variety of materials, ordering them, dancing like them and describing them. We have also looked at the type of land the penguins live on-Snow, and started to look at the story of the snowman.

A new, fancy interactive smartboard has arrived in Reception and the children are looking forward to using it!

Thank You

A huge thank you to everyone that attended Parents' Evening; it was lovely to speak to you all about how

wonderfully well your children are doing!

Home Work

A polite reminder to read with your children and complete their tricky word book. This will help the children stay on track with their education and develop their writing skills. Some children are already stringing sentences with the aid of their reading.

When completing their home work book, please ensure your child completes this all by themselves. You could discuss with them what they are going to write then leave them to have a go.

Capital letters are only being encouraged for name purposes at the moment as the children are still developing their phonics skills .

Thank you for your co-operation.

A Message From

Miss Cronin

A special well done to Tom and Sam who were awarded the Curriculum Certificates last week.

Well Done to Archie and Joshua who have won the Curriculum Values Certificates for this week.

Hats, Scarfs and Coats

As the days are getting colder and darker, please ensure your child has the appropriate clothing in school, Lots of children like to take their coats off, it is important that they remain warm at playtimes, so please remind them to leave coats on.
