C.T Studd gave up cricket to travel across the world spreading the Word of God.

Can you find out the name of the group he travelled with?

Classroom News

Friday 12th March 2021

We have loved being back together this week! The children have enjoyed catching up with all their friends and it's amazing how quickly they are settling back into our routines. A big thank you to you all – you obviously did a great job in preparing your children for the return to full time school!

We have talked about the things that we enjoyed about learning from home, and the things we are looking forward to doing now we are back. We have thought about all the wonderful things we can do, and the children told us three things that they are proud they can do well. In Maths we learned about the numbers that add together to make 10, and we aim to build up an instant recall of these. In RE we began thinking about the Easter story. We learned about the events of Palm Sunday and enjoyed role-playing the events. Ask us to sing our 'Hosanna' song for you!

Next week...

We will begin exploring 3D shapes and pattern. Maybe you could make some repeating patterns at home using household things, eg fruit or duplo bricks. We will continue the Easter story and will look at photographs of churches throughout Easter time. Our Literacy work will be based around the story 'Handa's Surprise'.

Diamond 9

Our Diamond 9 word this week in class has been:

We are in need of **spare uniform** and would welcome any old trousers, skirts and polo shirts. Please remember to send in your **Home Learning Book** if you haven't already done so. We love looking through them with your children! Thank you.

Curriculum Award – Molly for taking great care with her handwriting whenever she writes.

Christian Value Certificate for Joy – Zachary for being an enthusiastic learner. He is keen to learn and has lots of fun doing it!
