

## Class 4 Newsletter

Summer Term - 17/05/2019

### This Week

This week, in **English**, we have created our own character from 'Aladdin and the Magic Lamp', planned our own versions and begun to write them using relative clauses. In **Maths**, we focussed on statistics and the retrieval of information from bar graphs, line graphs and timetables. In **Science**, we investigated friction and how it can be measured. We tested which of Mr B's shoes had the most friction then compared it with our own shoes. In **RE**, we focussed on Moses' mother, Jochebed, and her amazing tale of faith in a God who rules over all situations. In **History**, we researched about the House of Wisdom in the early Islamic Civilization of AD900 and how knowledge was of vital importance for that civilization. In **Computing**, we continued with our programming for the Al-Khwarizmi Scratch presentations. In **PE**, we developed our throwing, jumping and running skills for Athletics; the Year 4 children went swimming and the Year 5 children continued their Superhero dance unit.

We are asking for children aged 8+ (must be accompanied by an adult - 1 adult up to 4 children per till) to come along and pack members of the public's shopping at the checkouts. If you are able to spare an hour or so, please sign up to a "slot" on the sign-up sheet - available in the school office or call the office to book in a session.
