The Rule of Law

There are many new rules and laws that have been introduced to keep us safe during the Covid-19 pandemic. It's important to understand why these rules have been made and how they help us.

UN Rights of a Child

When adults make decisions and set rules, they should think about how these decisions will affect children. All adults should do what is best for children. Governments should make sure children are protected and looked after by their parents, or by other people when this is needed.
