

### Dates for the diary

1<sup>st</sup> July – Maths Day  
 5<sup>th</sup> – 10 July – Super Safety Week  
 6<sup>th</sup> July – Reception & KS1 Beach Party Day

### Courageous Advocate

We had a very special Courageous Advocate this week, created by our Buddies in Class 5.

**Captain Sir Tom Moore** joined the army at the age of only 19. In the first lockdown he raised a huge amount of money for charity by walking around his garden 100 times.

How much money did he raise for charity?

### Diamond 9

Our Diamond 9 word this week in class has been 'Creativity'.

### Reception Classroom News

#### Friday 18<sup>th</sup> June

This week we have learned about the very special prayer that Jesus taught us. We decorated the Lord's Prayer with pictures of things that we are thankful for. We continued our work on materials and used many different sorts to build creations. We talked about how different materials are good for different jobs. In Maths we have been learning about sharing fairly, and working out different strategies to ensure we share an amount equally. We found out that some amounts cannot be shared, and there are 1 or 2 left over. We have thought about how we can help our friends and how they have helped us. We looked at the ripples in the water tray and thought about how kindness can spread in the same way.

#### Next week...

Our Maths work will continue on from sharing as we will be finding out about odd and even numbers. We will write about the things to do in Blackpool, and will look at what it was like in Victorian times. Our work in RE will teach us about prayer in different faiths.

#### Cake Sale for Hamza

Thank you for your donations for the Class 5 Cake Sale.

We will let you know the total amount raised as soon as we can.

**Curriculum Award** – Harrison, for a fantastic model using many types of materials.  
**Christian Value of Forgiveness Certificate** – Charlie, for being a kind and accepting friend.

Please could we ask that water bottles are the type with straws or lids that can be drunk through, as we have had lots of spills from the screw top variety. Thank you for your support.
