Thursday 19th December

Whole School Pantomime Visit to Blackpool Grand Theatre

Friday 20th December

School closes for Christmas @2pm

Learning this Week - "Magnificent Me"

Class 2 have written brilliant poems this week. We have read numerous poems, watched poetry being performed by some famous children's poets and have written our own poetry. Some of which was extremely humorous and all have been delightful to read and share.

We have followed frame models to compose our poetry about 'That's No Word of a Lie', 'Anyone Seen My Dragon?' and 'At Night Our Classroom Comes Alive'.

Learning next Week

In **English** we will ask and answer how, where, why and what questions to create information posters discussing how information is used and organised.

In **Maths** we will be learning about shapes, both 2D and 3D, particularly learning about describing the properties of different shapes.

In **RE** we will name and retell our favourite Bible stories, comparing some of our favourite stories to similar stories in other holy books from faiths other than Christianity.

In **Science** we will be studying the importance of exercise and eating the right amounts of different foods to be healthy.

In **History** we have been looking at what life was like in the past and we are furthering our understanding as to why people behaved in the way they did.

In **P.E** we have enjoyed learning different dance steps to create and develop our dances using travel, jump, gestures and stillness. We have used a variety of body parts to balance and move.

Students of the Week

Christian Value Award Certificate - Lewis

Curriculum Award Certificate - Eva S
