

## Home Learning for Year 2 – Week beginning 18.05.20

Hello Year 2, I hope you are keeping well and staying safe. Here are some ideas to help you with your learning while you are staying at home. Don't worry if you can't complete all of the tasks but try to have a go, and as always, Let your light Shine!

### Maths

This week the focus for our maths learning is **Multiplication**.

**You can access the teaching videos via the link below.**

**Please access the related worksheets on our school website in the Home Learning section. Thank you.**

<https://whiterosemaths.com/homelearning/year-2/>

#### **Extra Miler Activities for our Year 2 “Math Professors”**

Additional Math activities to support your child's learning.

<https://www.discoveryeducation.co.uk/>

Login and select Espresso. Select **KS1, Maths** and access activities in the **Multiplication and Division** section.

**Times Tables** – visit BBC Super-movers

<https://www.bbc.co.uk/teach/supermovers/ks1-maths-collection/z6v4scw>

and practice your x tables through song and dance with the Bridget the Lioness, Posh Pooch and Webster the Spider. Have Fun!

### English - Amazing birds!

Over the next fortnight, we are going to be finding out all about our amazing feathered friends, using a range of texts, online resources and articles.

The related Home Learning Read and Respond Weekly unit for Year 2 is available on the school website with some lovely activities and related links for you to use and explore.

Some examples are:

- Collect new words and find out their meanings.
- Make a fact file about birds, or one particular bird.
- Research the Birdwatcher's code.
- Make an information poster about being a respectful birdwatcher.

**Please remember to view any link you use before sharing with your child and ensure your child stays on that page only. Stay safe online.**

**Reading** – Read daily via the Oxford Owls website using the login provided (via text). Choose a book from your colour band or age group and enjoy reading.

#### **Spelling**

<https://www.discoveryeducation.co.uk/>

Login and select Espresso. Select KS1, English and access activities in the **Spelling** section and focus on activities in the **Prefixes, Suffixes and Word endings** section.

**Remember to practice your Year 2 common exception words too. A copy of these have been added to the Year 2 Home Learning area for you.**

## **Home Learning for Year 2 – Week beginning 18.05.20**

Hello Year 2, I hope you are keeping well and staying safe. Here are some ideas to help you with your learning while you are staying at home. Don't worry if you can't complete all of the tasks but try to have a go, and as always, Let your light Shine!

### **Other Subject Learning**

#### **Science – Plants**

Plants are living things that provide us with energy. Research the Eat Well plate and find out what healthy foods your body needs.

#### **Geography – Continents and Oceans**

Can you find out 5 interesting facts about the continent of **Asia**? What types of habitats/landscape features can you find out about? Where would you like to visit?

#### **Art/Craft – Sculpture (Ocean Animals)**

Can you make a starfish model out of a paper plate, buttons or salt dough?

#### **Computing – Researching and Retrieval/Coding**

Use a child friendly search engine to research African landmarks.  
Espresso Coding – Lesson 3 Unit 2b.

#### **Physical Education – Games/Dance**

**Remember to try and be active for at least 60 minutes a day.**

<https://family.gonoodle.com/channels/zumba-kids>

This week try and look at the Running skills activity in the home learning section or have a go at this week's challenge task on the next page.

**Please remember to view any links you use before sharing with your child and ensure your child stays on that page only. Stay safe online.**

### **RE – What is a Church?**

#### **What is a church?**

Christians believe that the presence of Jesus is with them always and everywhere but they particularly think about and focus on this belief when they are in church. Explore the idea that your child is a member of Class 2 wherever they are. They do not need to be in the school. They are all members of a family whatever their location. The Bible tells us that the church is made up of people – it is not just a building. People can be the church wherever they are and wherever they meet. When the church began, there were no buildings only people.

**Can you design a new church? What do you think it should look like? What would you like to see inside this new church?**

Use your imagination, but remember there must be some kind of font and an altar.

This week also marks the start of **#ThyKingdomCome** where Christians around the world are committing to pray from Ascension Day to Pentecost. There is more information on [www.thykingdomcome.global](http://www.thykingdomcome.global) along with lots of resources available for download.

In this short video <https://vimeo.com/390773164> the Archbishop of Canterbury talks about the [Digital Family Prayer Adventure Map](#) which looks like a fun resource that you may like to explore and use with your family.

### Home Learning for Year 2 – Week beginning 18.05.20

Hello Year 2, I hope you are keeping well and staying safe. Here are some ideas to help you with your learning while you are staying at home. Don't worry if you can't complete all of the tasks but try to have a go, and as always, Let your light Shine!

## **Mrs. Ramsay's Workout of the Week – UGLY BUG BALL!**

Roll the dice and complete the movements for each number. Do each exercise for 30 seconds and then roll the dice again.

Try to do it for 10 minutes (20 rolls), with as little rest as you need. **Remember to warm up before you start and cool down at the end.**

Do it each day and try to increase the amount of time you can keep going by 2 minutes each day.

Challenge your family to join in and take it in turn to roll the dice.

## **LET'S GET MOVING!**

	<b>Wiggle like a caterpillar along the floor</b>
	<b>Flap your wings like a butterfly</b>
	<b>Buzz about in circles like a bee</b>
	<b>Scuttle like a beetle on your hands and feet</b>
	<b>Pounce like a spider catching a fly</b>
	<b>BUG DANCE PARTY!</b>
