LEARNING THIS HALF TERM

In English, we're using the Onjali Q Rauf novel 'The Night Bus Hero' as our source text.
In Maths, we're finishing off subtraction for this term, then doing some multiplication and division as well as some measurement with area and perimeter.
In RE, we're reflecting on how Christmas uses the symbolism of light. We're also going to explore the Jewish Hanukkah festival.
In Science, we're investigating the Three States of Matter.
In Geography, our unit is all about rivers.
In Computing, we're going to be creating Stop Motion animation.
In French, it's all about numbers and asking people their age.
In PE, we're focussing on the skills associated with tag rugby.

HOME READING

Your child has a free choice as to which book they bring home. They can choose from a range of genres which is stuck in the front of the Reading Record. They can read one from each genre per half term.

I want to encourage you also to read to your child as this is a wonderful way for them to experience a book in a different way. I'm reading to them every day.

Behaviour and Manners Expectations

A gentle reminder that we are continuing to encourage the children to excel in being polite, using manners, listening to grown-ups and following their instructions, allowing adults to pass through doors first, are ways that set us apart as a school.

ADDITIONAL NOTICES

PE day: **Thursday**

PE kit: White t-shirt, blue hoodie (with or without zip), blue or black bottoms (shorts, tracksuit bottoms, or PE skirt), and black trainers. No branding on clothing (Nike etc.).

Please make sure children bring a spare PE kit on Thursdays in case they end up needing to change.
