Summer Term – 16/04/2021

THIS WEEK

The children have settled well, back into class. In **English**, we have begun a non-fiction unit looking at newspapers. We have been collating word banks, quotes and more to help us write a newspaper article about Covid-19. In **Maths**, we have continued with fractions. It is clear that the children's confidence is growing in this area. In **RE**, we reflected on Prince Philip and his example of service. We wrote prayers for his family and a poem about him. In **Science**, we did lots of vocabulary work about our upcoming unit. We had a lot of fun exploring words that end in -shun. In **Geography**, we located the country of Brazil on a map and explored the key places we need to know about this vast South American country.

In **Art**, we began exploring the work of artist Henri Rousseau.
