## Home Learning for Class 5 – Week beginning 15.6.20

Hello Class 5! I Here is this week's Home Learning!  Remember you don't have to do all of it but it would be great if you gave some of these activities a go!  Keep shining!  Miss Morris ☺

Morning Task (a good way to get your brain working first thing in the morning) –
https://www.morningchallenge.co.uk/home  - Click on the date and have a go at the tasks!

| Maths | English |
|---|---|
| Please access White Rose Maths via the link below and select SUMMER TERM **WEEK 7** (N.B. It will be titled w/c 8th June due to our 2 week half term) - the lessons focus is problem solving and algebra.  https://whiterosemaths.com/homelearning/year-6/  Each day has a teaching video clip to watch, then you will need to access the lesson worksheets on our school website in the Home Learning Tasks section.  The answers will be there too so you can check your work once you have completed it! (NO CHEATING!☺)  Additional Maths Activities  https://play.ttrockstars.com/auth/school/pupils  (you can access your Times Tables Rock stars account).  https://myminimaths.co.uk/year-6-arithmetic-practice-papers/  This site has lots of arithmetic style questions to keep your brain switched on – scroll down and click on WEEK 7 PRACTICE PAPER – have a go at the questions and then check them in the answer section.  **See below for a few extra short Maths activities you can try (Number Detectives and Fluency, Problem Solving and Reasoning Questions).  The answers are further down – don't cheat! ☺ | This week's English is based around the LPDS Home Learning Read and Respond Unit (Week 7) also found under the Home Learning Tab. This week explores all things to do with health, hygiene and heroes!  **Note: The clips and reading material may contain content which is sensitive to your child, given the current climate. It is therefore advised that clips and web pages are watched, read and discussed together.**  Please do not feel that you need to stick to the daily plan – however, if your child is motivated then there is plenty of learning to keep you busy on here!  Regular Reading!  Remember it is important to read regularly while school is closed! You can read books from home or remember you can use: https://www.oxfordowl.co.uk/ Click on 'my class login' and enter the login details:  class5lea        password – shine  and  https://www.lovereading4kids.co.uk/ (you need to become a member – but it's free!)  SPAG – Using apostrophes  https://www.bbc.co.uk/bitesize/articles/zrprkxs (this link includes 2 videos to watch and 3 activities). |

Hello Class 5! I Here is this week's Home Learning!  Remember you don't have to do all of it but it would be great if you gave some of these activities a go!  Keep shining!  Miss Morris ☺

| RE | Other Learning |
|---|---|
| **RE** | **Other Learning** |

**RE**

Talk about 'Faith' with someone from home.  What is it and what does it mean to have faith?

Create a list of criteria needed by someone in order for them to qualify as a person with/of faith.

Consider the similarities and differences between having faith in a person e.g. "I have complete faith in you" or a piece of equipment e.g. a life jacket or parachute, and having faith in God.  Discuss and then make some notes on your thoughts.

**P.E.**

Remember the recommended daily amount of physical activity for children is 60 minutes! So get moving!  Walk, run, dance, play football, ride your bike…the choice is yours!

**Computing**

Please see the 'Parent Online Safety Guide May '20' on the homepage of the website

Talk to someone at home about how we can keep safe online.  Create a PowerPoint slide or a poster that promotes Online Safety for children.

**Other Learning**

**Science**

https://www.ase.org.uk/ase-coronavirus-hub-primary-remote-learning-resources#year6

Scroll down and click on LESSON ONE – Introduction to Light.  The first slide outlines what to do before, during and after the session.  You can work through the PowerPoint; there are things to talk about, video clips to watch and activities you can complete.  It's quite long so don't feel you have to do everything all in one go!

**French**

It's been a while since you've done any French!  Use this lesson to brush up on your skills! https://www.bbc.co.uk/bitesize/articles/z93n7yc
The link includes 2 videos and 2 activities.

**P.S.H.E**

Spend some time thinking about your time at Lea Endowed!
Write or type a short paragraph for each heading:

1. My favourite KS1 memory
2. My favourite KS2 memory
3. What I'm looking forward to at High School
4. What Lea Endowed has taught me and things I'll never forget

Keep these somewhere safe!  You will need them for our Leavers' celebrations!

HOME LEARNING

**Home Learning for Class 5 – Week beginning 15.6.20**

Hello Class 5! I Here is this week's Home Learning!  Remember you don't have to do all of it but it would be great if you gave some of these activities a go!  Keep shining!  Miss Morris ☺

**Newsround**

Remember you can watch Newsround every day to keep up to date with what is happening in the world:
https://www.bbc.co.uk/newsround/news/watch_newsround

**E-mail**

Just a reminder of my email address if you need anything: k.morris@leacofe.lancs.sch.uk
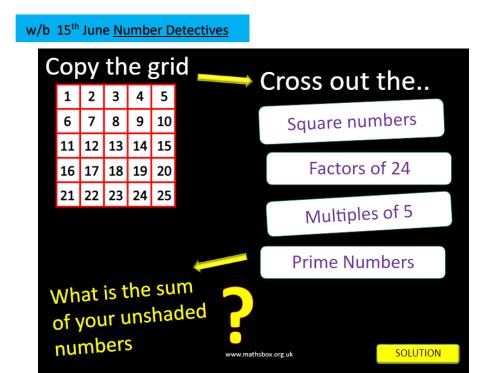

Please feel free to send me a message or any photos/copies of the things you have been doing! I would love to see them ☺.

## Copy the grid

| 1 | 2 | 3 | 4 | 5 |
|---|---|---|---|---|
| 6 | 7 | 8 | 9 | 10 |
| 11 | 12 | 13 | 14 | 15 |
| 16 | 17 | 18 | 19 | 20 |
| 21 | 22 | 23 | 24 | 25 |

## Cross out the..

Square numbers

Factors of 24

Multiples of 5

Prime Numbers

What is the sum of your unshaded numbers

?

www.mathsbox.org.uk

SOLUTION

See below for answers!

## Fluency

Complete these questions.

1.  581 ÷ 7 =        Reveal answer

2.  ☐ = 694 × 0       Reveal answer

3.  11 – 3.55 =        Reveal answer

4.  37 + (11 × 6) =        Reveal answer

5.  38.45 + 74.38 =        Reveal answer

6.  181 × 17 =        Reveal answer

## Problem Solving

At the beginning of the day, a grocer has 239 apples. He receives another 144 from his supplier and sells 307 during the day. How many apples does the grocer have at the end of the day?

Reveal answer

## Reasoning

$$\frac{1}{10} \qquad \frac{3}{5} \qquad 0.4 \qquad \frac{3}{4}$$

Which is the odd one out?

HOME LEARNING

# Home Learning for Class 5 – Week beginning 15.6.20

Hello Class 5! I Here is this week's Home Learning! Remember you don't have to do all of it but it would be great if you gave some of these activities a go! Keep shining! Miss Morris ☺

## Number Detectives Answers

$14 + 18 + 21 + 22 =$

**75**

| | | | | |
|---|---|---|---|---|
| 1 | 2 | 3 | 4 | 5 |
| 6 | 7 | 8 | 9 | 10 |
| 11 | 12 | 13 | 14 | 15 |
| 16 | 17 | 18 | 19 | 20 |
| 21 | 22 | 23 | 24 | 25 |

## Fluency, Problem Solving and Reasoning Answers

### Fluency

Complete these questions.

1. $581 ÷ 7 =$ **83**

2. **0** $= 694 × 0$

3. $11 - 3.55 =$ **7.45**

4. $37 + (11 × 6) =$ **103**

5. $38.45 + 74.38 =$ **112.83**

6. $181 × 17 =$ **3077**

### Problem Solving

At the beginning of the day, a grocer has 239 apples. He receives another 144 from his supplier and sells 307 during the day. How many apples does the grocer have at the end of the day?

**76 apples**

### Reasoning

$\frac{1}{10}$　　$\frac{3}{5}$　　0.4　　$\frac{3}{4}$

Which is the odd one out?

Any of these can be the odd one out as long as your reason is mathematical (e.g. ¾ because it is the only one with a digit in the hundredths column -0.75 or 0.4 because it is the only one written as a decimal)
