### Diamond 9

Our diamond 9 word this week in class has been 'Creativity'.

### Classroom News

#### Friday 6<sup>th</sup> November 2020

This week we began our new topic – Rumble in the Jungle. We thought of some animals that inhabit the earth, the sky and the sea. In Maths we looked at numbers and counted out the correct number of objects to match each one. In R.E we started to think about how our life is different to the life of Jesus. We talked about how our clothing differs from Jesus' day. We listened to the story of Jesus healing the paralysed man and built Lego models of the house in the story. We learned why we celebrate Bonfire Night and tried hard to sequence the main parts of the story.

#### Poppy Day Appeal

Please see Mrs Seagrave's newsletter this week for details of how to support this important charity.

#### First Class Kids

In case you missed it, Monday's Lancashire Evening Post has a lovely picture of our happy smiling faces!

#### Reminder

It is important that the children complete a piece of homework each week and bring it in on **MONDAY** as we share this with the rest of the class. The homework can be found in the yellow book which comes home on Friday.
