Autumn Term – 11/10/19

This Week...

Maths

This week we have been practising methods for subtraction including written methods and subtraction with money.

Please continue to encourage the children to access their TIMES TABLE ROCKSTARS ACCOUNTS at home.

English

In English, we have planned and written a Newspaper Article based on the discovery of a brand new species of animal.

Across The Curriculum

This week we have created some 'Harvest Art' for church that shows our thanks to God for everything he gives us; additionally, we have written Harvest Prayers, which we shared together in Class Worship. In this week's R.E. lesson we thought about 'A Day in the life of a Super Christian'. We have also been looking at Online Safety and ways we can keep ourselves safe online.

Next Week...

Maths

We will be moving on to Mental and Written Division using large numbers and decimals.

English

We will be thinking about zoos and writing a balanced argument that outlines the pros and cons of animals living in them.
