Classroom News

This week we had a special visitor in our classroom. Joy, a paramedic, came into our class to help answer some questions about her job.

We wanted to find out how she helps people and how the ambulance works. She answered all of our wonderful questions and then showed us how to put a bandage on and a sling. We really enjoyed practicing putting bandages on each other and have enjoyed our ambulance role-play this week.

In Maths we have carried on looking at subtracting and we got to test our bowling skills too. We had to see how many mini-me's we could knock down and put the numbers into a subtraction sum. We also enjoyed our NSPCC Maths day moving around the classrooms and taking part in lots of different activities. We were able to see if bigger hands could hold more sweets and measure out ingredients to bake cakes. We also took part in games like noughts and crosses and remembered to play fairly with our friends.

In R.E we have listened to the story of Noah and his ark and talked about how Noah listened to God and did as he asked. We talked about how we should listen to adults and others around us. We each made our own rainbow along with a promise to do something.

This is the last newsletter for this term so I wish you all a happy half term holiday!
