

Class 3 Newsletter

Autumn Term – 17th September 2021

Welcome Welcome!

Welcome to Class 3 – 2021-22! It was lovely to meet so many of you at the Welcome Meeting last week, and it was a great opportunity to share some of the work and experiences that your child will have during their time in this class. Thank you for coming! As I said at the meeting, please do not hesitate to contact me if you have any questions or concerns about your child – we can work through them together and hopefully secure the best outcomes for everybody. My email address is

r.bolton@leacofe.lancs.sch.uk

This week, the children have been listening to some more of our story, Fantastic Mr Fox and completing related tasks. They have been focusing on Number and Place Value in Maths and we have also enjoyed learning more about France in our afternoon sessions. The children are loving their Tag Rugby sessions on a Thursday morning.

Our **Courageous Advocate** this week is.....

Jessica Long

Jessica is a Paralympic swimmer who lost her way with God and felt empty inside. Winning medals meant nothing to her until, one day, she found her faith again, and prayed to God, thanking Him for His plan for her. She now encourages others to never give up.

Celebration

Well done to the winners of our certificates last Friday – Isla, Percysledge and Archie – you have made a fantastic start to the year and we are really proud of you all.

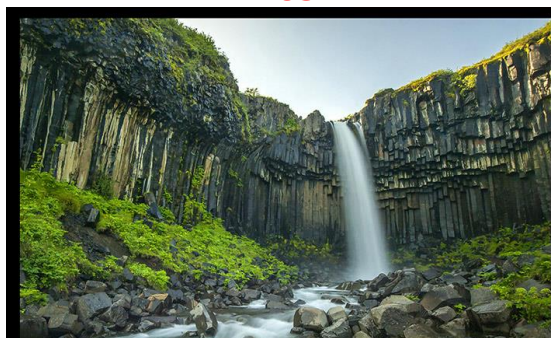

Trust – Reilly who has allowed others to put trust in him, as he helps them with their artwork

Star Writer – Esme for doing some excellent writing in English this week

Super Work – Ella for really applying herself during our second Tag Rugby session

Our Christian Value for this week has been

TRUST

**“Every word of God is pure:
he is a shield unto them that
put their trust in him.”**

Proverbs 30:5 (KJV)

Free Jesus Bible Quotes.org

Key Dates

Open Door will begin next week – it will be held every Monday after school until 3:40pm and is a chance for you to visit our classroom and see the work your child has been doing, as well as chatting through any issues.

10th October - Harvest Festival Service – St Christopher's Church@ 9:30am

22nd October – Half Term – break up at 3:15pm

Next Week

Next week, we shall be completing our class novel, Fantastic Mr Fox. The children will be writing their own adventure for one of the farmers who appear in the story. In Maths, we shall complete our work on Number and Place Value and be applying our learning to addition and subtraction. Mrs Morris will be continuing to teach the children about blogs in preparation for the children writing a food blog. In our Science work, the children shall be investigating some changes in materials.
