

Home Learning for Year 2 – Week beginning 06.07.20

Hello Year 2, I hope you are keeping well and staying safe. Here are some ideas to help you with your learning while you are staying at home. Don't worry if you can't complete all of the tasks but try to have a go, and as always, Let your light Shine!

Maths

This week the focus for our maths learning is **Measurement – Mass, Volume and Capacity**.

White Rose Home Learning - Week 10

You can access the teaching videos via the link below.

Please access the related worksheets on our school website in the Home Learning section. Thank you.

<https://whiterosemaths.com/homelearning/year-2/>

Extra Miler Activities for our Year 2 “Math Professors”

Additional Math activities to support your child's learning can be found on the Discovery Education website.

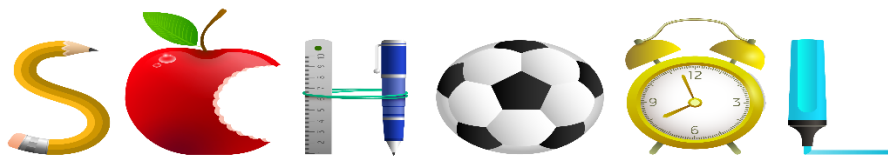

<https://www.discoveryeducation.co.uk/>

USER: student18818 PW: peacock

Select **KS1, Maths, Measures** and complete the activities on **Capacity**.

There are also a number of games and activities relating to capacity and other measures available on the BBC Bitesize website.

<https://www.bbc.co.uk/bitesize/topics/zt9k7ty/articles/zp8crdm>

English – We're all going to the Zoo!

This week you will be researching and finding out all about zoo animals and exploring animal themed poems. Can you be a mini “David Attenborough”? Make, or narrate, an animal film clip? Max did a super turtle film a few weeks ago. What is your favourite zoo animal? Find a short clip and narrate the action or write a script for narrating it instead.

Please see the related Lancashire Unit plan (Week 11) on the Home Learning page.

Please remember to view any link you use before sharing with your child and ensure your child stays on that page only. Stay safe online.

Reading – Read daily via the Oxford Owls website using the login provided (via text).

Lancashire's Libraries Summer Reading Challenge

Sign up and take part online, via the website www.silbysquad.org.uk

Spelling, Punctuation and Grammar (SPAG)

<https://www.bbc.co.uk/bitesize/topics/zd63xyc/articles/zdp4pg8>

Login to the **Karate Cats English** game on the BBC Bitesize website and practice your grammar, punctuation and spelling using these fun games. Work your way through the belts and let me know what colour belt you get each week and which karate cat joins your dojo. Let me know what you think of them - *I had great fun playing them!!!*

There are also additional grammar and spelling games on the Espresso website.

Home Learning for Year 2 – Week beginning 06.07.20

Hello Year 2, I hope you are keeping well and staying safe. Here are some ideas to help you with your learning while you are staying at home. Don't worry if you can't complete all of the tasks but try to have a go, and as always, Let your light Shine!

Deep and Wide Learning

Choose 2 activities from our KS1 Summer Project (copy on the Home Learning Page). There are lots of activities and investigations to explore.

For example

- Learn a seaside song or shanty.
- Make a puppet.
- Write a play and perform a puppet show.

Computing – Researching and Retrieval/Coding

Use a child friendly search engine to research our summer project.

Science – Have a look at the **Explorify** website. It is free to join and you can access the 'Explorify at Home' section to encourage scientific discussion and thinking skills. Please choose activities that focus on **Materials and their uses**.

Physical Education – Games/Dance

Remember to try and be active for at least 60 minutes a day.

<https://family.gonoodle.com/channels/zumba-kids>

Please remember to view any links you use before sharing with your child and ensure your child stays on that page only. Stay safe online.

This week try and look at the challenge task on the next page.

RE – A Place of Worship

Create your own design for a church or place of worship you would like to attend.

Draw a picture and label all the features you would like to have, or see there.

Think about who will attend.

What facilities do you need to have?

How can families join in?

#Off the Shelf RE Ideas - #7 The Lion on the school website **Worship** page.

Look at the Lion photograph and related questions. Be a Bible detective this week and see which animals God speaks about.

HOME LEARNING

Home Learning for Year 2 – Week beginning 06.07.20

Hello Year 2, I hope you are keeping well and staying safe. Here are some ideas to help you with your learning while you are staying at home. Don't worry if you can't complete all of the tasks but try to have a go, and as always, Let your light Shine!

Mrs. Ramsay's Workout of the Week – ZOO PARTY!

Remember this activity? Roll the dice and complete the movements for each number. Do each exercise for 30 seconds and then roll the dice again.

Try to do it for 10 minutes (20 rolls), with as little rest as you need. **Remember to warm up before you start and cool down at the end.**

Do it each day and try to increase the amount of time you can keep going by 2 minutes each day. Choose a zoo or animal song and have fun moving and dancing along!

Challenge your family to join in and take it in turns to roll the dice.

We're going to the zoo! Zoo! ZOO!

Run around like an ostrich. Flap your wings!

Swing your arms like an elephants trunk.

Hop about like an Amazonian tree frog!

Scuttle on your tummy like a lizard.

Snap your jaws and Roll like a crocodile.

ZOO DANCE PARTY! Be your favourite animal.
