

It was lovely to see so many of you at Parents' Evening last week. The relationship between home and school is so important in supporting your child in their learning so thank you! Also a big WELL DONE to the children who were prefects; they represented school so sensibly and I am very proud of them all.

## This Week...

Unfortunately, I was off ill at the beginning of the week but the children have soldiered on working extremely hard without me!

### Maths

In Maths the children have been consolidating work on fractions and percentages in varying contexts. They have linked this to ratio and proportion.

### English

This week the children have been writing every day! They have written some fantastic diary entries based on War of the Worlds. Additionally, they have written letters to local businesses asking for donations for raffle prizes for our Christmas Fare. We will send these next week and hopefully we will receive some replies!

## Next Week...

### Maths

We will be working on statistics (pie charts) and geometry (angles) in our Maths lessons.

### English

We will be continuing with, and hopefully finishing our class novel. We will be planning some role play, based on the book, and completing book reviews.
