## Spring Term - 08/02/2019

### This Week

In **English** this week, we have written our own versions of the story 'Francis, the Earthquake Dog'. The children have really risen to the challenge and the standard of their written work is exemplary.

In **Maths**, our focus has been on fractions, building on our learning in the Autumn term. In **RE**, we began to represent some parables that Jesus taught using artwork. In **Science**, we explored and created a range of explore food chains. In **DT**, we painted our volcano models to replicate existing volcanoes in the world. We had another rehearsal with the **Sing Together** team.
