

Dates for the diary

27th May – Jubilee Celebration Day
 27th May - Half Term holiday begins 3.15pm
 14th June – Class photos
 29th June – Super Science Day

Our Class Worship

Reception will be leading the school's Worship on Wednesday. We will be telling the school about the miraculous catch of fish. See if you can find out what happens in the miracle.

Diamond 9

Our Diamond 9 word this week in class has been 'Flourish'.

Reception Classroom News

Friday 6th May

This week has been a very busy one in Reception. We have observed the beans we planted and are excited about the changes we can see already. Our caterpillars are growing ENORMOUSLY, and we hope that they will soon be able to move into their new home ready to spin their cocoons and begin the transformation.

In Maths we have been looking at numbers to 30 and ordering them correctly. We are looking how to make pictures and patterns by rotating 2D shapes.

In Literacy we have continued learning about Jack and the Beanstalk. We have created a beanstalk that reaches to the top of the room! We read words that described the beanstalk, Jack and the giant and matched them to the right character. We wrote our own sentences describing the different characters in the story and writing speech bubbles showing some of the dialogue in the tale.

In RE we have been learning more about the significance of Baptism. Thank you for your photographs – we have made a lovely display using them all. Please feel free to come and look next Tuesday at Open Door.

Curriculum Award – Sebastian for flourishing in his writing and trying really hard with formation
Christian Value Certificate – Layton for being a good friend

Well done on letting your lights shine so brightly!

Wildlife Garden

An ENORMOUS thank you for all the donations of gardening equipment, seeds and plants for our wildlife garden. The difference already is huge, and we can't wait to find out what all the new shoots turn into!
