

Class 3 Newsletter

Autumn Term – 15th October 2021

This Week

We have had a very busy week this week in Class 3. On Monday we enjoyed a visit from Songs of Identity, a group put together by Lancashire Heritage Trust to spread the word about diversity and belonging through the mediums of song, dance and story. It was excellent and we all really enjoyed the time. We have also had the Fire Service in to school, who taught the children about the importance of Fire Plans and smoke alarms. Ask your child to tell you about it if they haven't already. We also had six members of our class represent school in an Inter School Mini Skills competition this week. Well done to you all for trying hard and shining brightly. We are sad to be saying goodbye this week to Ryan, our Tag Rugby coach, who has led six sessions of training – it has been fab!

Our **Courageous Advocate** last week was..... **William Tyndale**

William had a talent for learning languages. Instead of burying his talent, he worked hard to develop it and use it for God.

What talent has God given you?

How will you use it?

Celebration

Well done to the winners of our certificates last Friday, **Myles, Chloe and Tom** - you have all shone your lights brightly and we are really proud of you all.

Joy – Mia for always having a gorgeous smile and making us all feel happy!

Star Writer – Darcie for having beautiful presentation and handwriting – your books are beautiful!

Super Work – Mylow for having a great attitude in school this week. Mylow has challenged himself really well in Maths – keep up the good work!

Our Christian Value for this week has been

JOY

Our hearts were full of joy last Friday when we had our special Harvest Celebration Day to raise money for the Mosamaria Trust. We managed to raise over £350 which is fantastic and will enable us to fund a bike and/or a new router for the project. Thank you so much for your kind donations.

Next Week

We are drawing to the end of our first half term and we are definitely all ready for a break. I am thrilled to say that the children have made great progress in the time that they have been back at school – their learning behaviour has really improved and they are definitely gelling together as a whole class group.

Next week we will continue our book, The Tin Forest, which we have been learning Off By Heart this week. The children will be thinking about character and setting. As the finale to our DT topic on food, the children will be having a party with their own made products! If your child has not yet brought in their 3D meal on a plate which was this half term's homework project, please send it into school next week.

Have a wonderful half term break!
