Tuesday 4<sup>th</sup> November - School reopens @8:45am

Tuesday 18<sup>th</sup> November and Wednesday 19<sup>th</sup> November - Parents' Evenings (information to follow).

### Class News

We have had a busy few weeks, with lots of learning happening in Class 4. In Maths, we have started our learning on mental strategies for addition and subtraction. Our new text in English has gripped the class, ask your child about Will Montague and his life in Chapters 1 and 2 of 'Treason' by Berlie Doherty. In RE, we have been reading a range of different Psalms and creating beautiful artwork in the style of Hannah Dunnnett. As part of our Science learning, we have been looking at magnetism and what makes objects magnetic. In PSHE, we have been looking at what makes community and how people from different backgrounds can work together even though they have different views and opinions. As part of our learning in Computing, we have been looking at different digital devices and what makes a computer network. In History, we have been continuing our learning about the Tudors by learning about specific Tudor clothing. Ask your child about a ruff and a farthingale! Mrs Griffin 😊

Thank you to everyone who came to our **Autumn Praise Worship** on Thursday. We enjoyed learning our poem "When We See The Harvest" using Makaton. All of the children did our class proud and we are extremely proud of them for their prosody and confidence.

Just a reminder to say Class 4 homework is their spelling sheet, maths homework and reading 3x per week, please. The children know to sign their reading diaries themselves when they have read (more than 3 reads would be amazing but we understand family life is busy!). Thank you.
