## Autumn Term - 09/11/2018

### This Week

In **English** this week, we have continued to focus on the novel of 'The Lion, the Witch and the Wardrobe. We have tried to imagine what the snow covered forest could look like and have built up our descriptive prowess. In **Maths**, our focus has been on using a written method for multiplication. We have relied heavily in applying our times tables knowledge. Please continue in practising with them at home. In **Science**, we explored how absorbency means that objects soak up water. We did this through testing nappies in an investigation of varied success. In **History**, we had our introduction to the Ancient Egyptians, getting a bigger picture of what their civilization was like. We also reflected on the 100 years since the First World War.

### Next Week...

**English:** The Lion, the Witch and the Wardrobe

**Maths:** Division

**Science:** Reversible and irreversible changes

**RE:** How the Torah influences Jews

**History:** The Pyramids

### Christmas Dates & Events
