Hello Year 1, I hope you are keeping well and staying safe. Here are some ideas to help you with your learning while you are staying at home. Don't worry if you can't complete all of the tasks but try to have a go, and as always, let your light shine. If you need any help or assistance, contact me at

Handwriting

Practice writing capital letters L, M, N, O, and P (you will need lined paper and a sharp pencil!). **REMEMBER** - You can take your pencil off the paper to form capital letters. Capital letters do not have a lead in or a lead out. Capital letters touch the top and bottom lines - THEY MUST BE BIGGER THAN YOUR LOWER CASE LETTERS.

Mrs. Lucarelli's Workout of the Week – UGLY BUG BALL!

Roll the dice and complete the movements for each number. Do each exercise for 30 seconds and then roll the dice again.

Try to do it for 10 minutes (20 rolls), with as little rest as you need. **Remember to warm up before you start and cool down at the end.**

Do it each day and try to increase the amount of time you can keep going by 2 minutes each day.

Challenge your family to join in and take it in turn to roll the dice.

LET'S GET MOVING!

Wiggle like a caterpillar along the floor

Flap your wings like a butterfly

Buzz about in circles like a bee

Scuttle like a beetle on your hands and feet

Pounce like a spider catching a fly

BUG DANCE PARTY!
