Autumn Term – 7/9/18

Welcome

Welcome back! I hope you all had a lovely summer. I am looking forward to teaching and supporting your child in their final primary year. I have high expectations of attitude and behaviour and promote an ethos in my classroom where children feel happy, safe and are able to learn. Your child's learning is very much a partnership between home and school so if you have any concerns at all please come and see me.

Miss Morris (class teacher) ☺

This Week...

This week the children have been settling into their new classroom and we have been getting to know each other. We have really enjoyed meeting our buddies in Reception and supporting them at playtime and lunchtime. The children have been showing me that they are both trustworthy and responsible. The children have been showing me their Mathematical abilities and we have begun work on our new class novel: "Deep Water" by Ann Turnbull. In Science we have begun our topic about animals which explores the theory of evolution and adaptation to various habitats and environments. We are thinking about the Christian Value of friendship in worship and exploring 'Life as a Journey' in R.E.

Next Week...

Maths

We will be looking at place value, rounding and negative numbers. We will be ordering and comparing numbers including large numbers and decimals.

English

In English we will be continuing to read Deep Water and focusing on the language used and the characters' actions.

Homework and Reading

Homework in Class 5 will start next week. It will be handed out on a Wednesday and returned to school on a Monday please. The children will receive one piece of Maths and one piece of English each week. Additionally the children will receive a project to complete at home that will last for the whole half term. The children have now brought home their reading books and records. I am happy for them to read books from the school scheme alongside books of their own choice. Please encourage them to read for at least 15 minutes per day and record this in their Reading Records. I will collect and check reading records on a Friday.

****Year 6 Meeting for Parents – Wednesday 12th September @ 6pm. I hope to see you there.**
