

Hello Year 1,

Well, believe it or not, today would have been our last week in school before the 2 week holiday!! Maybe have a think back at some of the things you have been busy learning at home.

Sometimes we forget just how many things we manage to fit into a day. Has anyone been keeping a diary of things they have done? We are trying to remember to take pictures of the things we are doing at home so that we can make a COVID photo book once things return to normal.

Because it is officially the school holidays I will not be sending home any learning plans for the next two weeks, although it will be up to your new 'parent teachers' as to whether home school takes a holiday or not. Maybe, if you are particularly helpful, kind and follow their instructions they may decide to give you a little time off. 😊

It was great to hear from some of you again this week. Thank you so much for letting me know what you are up to. I really love hearing from you and miss hearing what you have to say.

A **BIG** well done to Sam this week for learning to ride his bike without stabilisers. That is very tricky to master and I'm sure I was much older before I learnt to do it!!

As always, I hope you are keeping well and having fun at home. I miss you all and hope to see you soon.

With love from,

Mrs Lucarelli
