Summer Term – 22/04/2022

LEARNING IN SCHOOL

English: We started a new unit that links to our Geography. We are using the novel *Francis, The Earthquake Dog* as the vehicle for our fiction writing.

Maths: We focussed on the written method division.

RE: We started our unit exploring the lives of significant women from the Old Testament. We had a think about important women in our world at the moment before trying to recall those we already know from the Bible.

Science: We started our unit on Rocks. We explored how there are different types of rocks and we classified a variety of them.

Geography: To start our unit on Volcanoes and Earthquakes, we looked at the country of Japan, a country that experiences many incidents of these two natural phenomena.

The Year 4 children enjoyed their day visit at **Borwick Hall**. The photos will be available on the school website next week.

READING & SPELLINGS

Please remember to make sure that your child **reads regularly**. They need to be recording it in their reading record. Even if it is a book from home not from school, it can be recorded in the diary so we can monitor the range of books the children are/are not reading.

Spellings are on our class page of the website in case the lists get misplaced.
