

Kind words
are like honey –
sweet to the soul
and healthy
for the body.
– Proverbs 16:24

Dates for the diary

8th December – Nativity dress rehearsal
9th December – Nativity performance
(to be videoed)
15th December – Party and Christmas lunch
17th December – 2pm finish for Christmas

Courageous Advocate

Tomme Profitt is an American songwriter and producer. He has achieved tremendous success composing music for film and TV. He has released an album of his favourite Christmas songs and carols. "The theme of this album is a King being born on earth, coming to save the world. That's the most epic story you could ever tell."

Diamond 9

Our Diamond 9 word this week in class has been 'Unique'.

Classroom News

Friday 3rd December

We have been learning about the events of the very first Christmas. We know that an angel brought some very exciting news to Mary. We have used our special Nativity figures to retell the story. Our buddies in Year 6 led a beautiful Advent worship. We have practised the songs and actions for our Nativity, and have tried on our costumes. In Maths we have drawn simple maps showing teddy's journey through the snow. We used positional language to describe where he travelled. We have spoken about the importance of kindness and really enjoyed sharing Layton's book – 'Kindness is my superpower'. We have learned some new letter sounds – **l**, **ll**, **j**, **v** and **w** and tricky words – **no**, **go** and **into**.

We learned that St Andrew's day is a special day for Scottish people. We designed new tartan patterns and made the flag of Scotland.

Next week...

We have a busy week practising and performing our Nativity to KS2. We will think about what type of animals can be pets and how we can keep them safe and healthy. We would love to receive photos of any family pets. Please send them to

j.moores@leacofe.lancs.sch.uk

As we normally have a collection for a local charity at Christmas, this year we are asking for any donations for the local food banks who are facing rising demands. Small unwrapped gifts, as well as non-perishable food items are all very welcome. We will collect donations from 1st until 10th December. Thank you.

Curriculum Award – Freddie F for excellent work in Maths, exploring the composition of 5.
Christian Value Award – Francesca for her compassionate, caring nature.

These children have let their lights shine brilliantly this week! Well Done.
