This Week...

Has gone very quickly! Everyone has come into school eager to get on with their work.

We have hit the ground running!

In Maths we have been partitioning 2 digit numbers into tens and ones. We have also been finding 1 more and 1 less for numbers to 50. Some have even been finding 10 more and 10 less.

In English we have been looking at traditional rhymes. We have been practising a few. The children then adapted 'Mary, Mary quite contrary' to make their own rhyme.
