

Class 5 Spring Term Targets

Reading

To read a wide range of books independently (fiction and non-fiction). To skim and scan the text to find specific details.

Explain the effect on the reader of the author's choice of language and reasons why the author may have selected these words, phrases and techniques (MA!).

Writing

Use verb tenses consistently and correctly throughout their writing.

Manipulate sentences to create particular effects (MA!).

GPS

To successfully tackle questions related to word class and punctuation.

Maths

To perform mental and written calculations with mixed operations, large numbers and decimals with increasing speed (arithmetic).

Solve problems involving all four operations including those with missing numbers (MA!).

R.E.

To answer the question 'Who is Jesus?' from their own point of view

To respond to this question giving the views of others in the past and today giving reasons for their answers (MA!)
